GENERAL INFORMATION

OPENING AN ACCOUNT

All new accounts will be set up on a cash-in-advance basis until such time that the Credit Dept. has been able to establish open account terms. Minimum opening order to establish a new account is \$500.00 net. No account will be permitted open account status unless they can be opened for at least a \$1,000.00 credit limit. Payment terms are Net 30 Days.

ORDERING

Once an account has been established, subsequent minimum order is \$100.00 net. A charge of \$25.00 or the amount necessary to reach \$100.00 (whichever is less), will be added to the invoice.

Dealer Online Representation: Pre-authorized web based representation of the John Boos & Co. product line must adhere to written contractual agreement and minimum advertised pricing (MAP).

F.O.B FACTORY

All John Boos products are shipped F.O.B. Effingham, IL 62401. Whenever possible, orders may be consolidated for freight savings by contacting the factory or your representative.

CAUTION: FREIGHT CLAIMS

Before accepting any shipment, examine it carefully and note any damage or shortage on the Freight Bill before signing for delivery. All claims for shortage or damage must be filed with the carrier. Title passes from John Boos & Co. to the purchaser at point of origin of shipment. If, after receipt of shipment, concealed damage is discovered, immediately notify the delivering carrier requesting immediate inspection. The inspection report should be used to support your claims against the carrier. John Boos will not file claims with 3rd party carriers.

RETURN SHIPMENTS

We will not accept any returned merchandise unless written authorization has been issued. Any claims for defective materials or workmanship should be mailed to the factory.

UNUSED merchandise in A-1 condition - there is a 25% or greater restocking charge for AUTHORIZED returns. John Boos reserves the right to deny returned merchandise.

CONFIRMATIONS & ACKNOWLEDGMENTS

We request that all orders be faxed or emailed to John Boos & Co., Fax 800-433-2667, Email purchaseorders@johnboos.com.

We acknowledge all orders in writing and this acknowledgment constitutes our agreement, as the company will not be held responsible for errors due to misunderstandings on verbal orders or verbal agreements with our Sales Representatives.

CANCELLATION POLICY

Any special orders that have been entered into production cannot be canceled without paying all costs incurred by our company in the preparation of special plans, materials purchased or produced. No changes can be made once a "special order" has been entered into production. Any costs incurred therein will be the responsibility of the customer. Purchase orders may be changed up to 14 days before the scheduled shipping date without penalty, if production has not commenced.

Absolutely no order changes or cancellations will be accepted within 14 days of the originally scheduled ship date.

DROP SHIPPING

John Boos & Co. will drop ship to the contiguous 48 states (PO BOX not accepted), as well as a residential address (Residential drop ship fee of \$10.00 applies). Freight charges may be prepaid and added to your invoice if specified on shipments for locations other than the billing address. Note: For residential delivery, lift-gate service, notification of delivery, and other special requirements, additional charges may apply.

WARRANTY

The only warranty, expressed or implied, is a 1-year guarantee against defect in workmanship and material.

This warranty does not apply to damages which may result from neglect, accidental or intentional damage, wear or damage to any swivel mechanism, normal wear and tear, misuse of product, unauthorized repair, exposure to extremes in temperature and humidity, and alteration or abuse of the product. Wood products ordered 'unfinished' do not come with a warranty.

Repairs or replacement under this limited warranty will be made through an authorized John Boos & Co. distributor, if possible, the same dealer/distributor from which the product was purchased. Should the dealer or factory representative find return of the product to the factory necessary, all packing and shipping costs will be the responsibility of the customer. If a dealer/distributor is not available, contact the Customer Service Department at John Boos & Co., 3601 S. Banker St., Effingham, IL 62401, Ph (888) 431-2667 for the name and location of the nearest authorized distributor.

Factory obligation under this warranty, is limited, at the option of John Boos & Co. to repair or replace the product (or one of equal type and quality if the product is no longer available), within 90 days after receipt of written recommendation from the dealer, provided none of the above exceptions are evident.

John Boos & Co. shall not be liable for any loss or damage arising from use, or for consequential damages. This warranty gives certain legal rights and there may be other rights that vary from state to state.

HISTORY

John Boos & Co., based in Effingham, IL, is one of the oldest manufacturers of premium quality butcher blocks in the U.S.A. John Boos & Co. has been in business continuously since 1887. It was in his Effingham, IL blacksmith shop that founder Conrad Boos first invented what would become the original Boos Block®. Having harvested sycamore from local wooded areas and processing it in his sawmill, Conrad brought it to his blacksmith shop for finishing. That first block of sycamore was placed on three legs to absorb the shock of the blacksmith's hammer against the anvil.

It was the local butcher, who having seen and admired Conrad's block, became impassioned about owning a block for his meat market. Unknowingly, Conrad's son, John, who made and sold that first block to the butcher, took John Boos & Co. into the infancy of serving customers since 1887. John Boos & Co. continues to be a premier manufacturer of stainless steel equipment for the foodservice industry.

Beginning in the mid 1960's, John Boos & Co. made its first stainless steel table and quickly expanded its stainless steel fabricated table business to accommodate changing market requirements. The company's stainless steel business continues to grow and now includes an entire range of stainless steel products including custom fabrication. The company combines the art of stainless steel fabrication and woodworking to create a blend of quality kitchen carts, furniture, worktables and much more.

In 2017, John Boos & Co. marked the completion of the company's multi year relocation of its corporate and manufacturing facilities from the central Effingham area to the present South Banker Street location. With the completion of the 116,000 square foot, state of the art, wood manufacturing facility, John Boos & Co. will be positioned to continue to provide the best products and service in the markets it serves while allowing for additional new product development, which will continue to stimulate growth.

John Boos & Co. Wood Manufacturing Facility
Effingham, IL

Conrad Boos

Pride & Craftsmanship

There is no doubt that John Boos craftsmen love and know wood and stainless steel. We are experts in crafting top quality products of beauty, durability and function. Our pride in craftsmanship represents John Boos & Co.'s commitment to detail and is proudly displayed as the final touch to many of our heirloom quality products. Pride and Craftsmanship are the key ingredients in everything we do.

We take pride in sourcing our hardwood lumber from NHLA affiliated lumber mills in the United States.

Illinois, Indiana, Michigan, Tennessee, Ohio, Pennsylvania, and New York

Our Commitment To Environmental Safety

John Boos & Co. is firmly committed to the responsible management of environmental matters. As part of our standard business practice, John Boos & Co. maintains a high standard in meeting today's manufacturing needs without compromising the environment for future generations.

For over 50 years, John Boos & Co. has been a member of NHLA and maintains a current NHLA Sustainability Certificate (National Hardwood Lumber Association). As an NHLA Member, the company is committed to sustainable forestry practices. We embrace the certificate's statements of sustainability in the harvest and manufacture of all hardwood products. This includes the purchase of lumber from NHLA affiliated lumber mills that share the same values for sustainable forestry practices.

MADE IN THE USA

Wood Cutting Boards - NSF Certified

Boos Block® NSF Certified Wood Cutting Boards are designed for foodservice professionals, restaurants, catering services, food trucks and cooking enthusiasts alike. Handcrafted from sustainable Northern Hard Rock Maple, these cutting boards are premium foodservice quality and are NSF (National Sanitation Foundation) certified for any commercial foodservice establishment.

The different thicknesses provide a sturdy cutting surface for chopping, prepping, and slicing while keeping your gourmet knives sharp and damage-free. The recessed finger grips give you the flexibility for easy handling along with the reversible design provides you with an additional cutting surface. These cutting boards are also available in many different sizes to fit your commercial kitchen needs.

Butcher Block / Wood Top Care & Maintenance

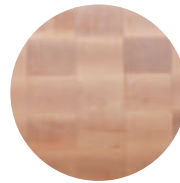

How To Care For Your Boos Block®

1. A minimum of 3-4 weeks (depending upon the use and household conditions), apply an even coat of Boos® Mystery Oil to your butcher block surface using the Applicator. Make sure the butcher block surface is clean from debris, dirt, oil, or grease before applying Mystery Oil.
2. Allow the Mystery Oil to fully penetrate into the wood fibers overnight, then wipe off any excess oil. Apply additional oil to any visible dry spots. Do not over oil your wood surface.
3. It is recommended to use Boos Block® Board Cream to seal the wood surface after applying the Mystery Oil. Apply an even coat of the Board Cream using the applicator. Allow the Board Cream to penetrate the wood surface overnight, then wipe off any excess Board Cream.

*Note: MYS2 (Must be Ordered In Quantities of 10), MYSB (Must be Ordered In Quantities of 12)

Boos Board Cream

This all natural formula penetrates deeply into the grains of the wood, leaves a silky wax barrier and locks moisture in. Used every 3-4 weeks, Boos Block Board Cream will replenish the moisture lost from repeated washings, keeping your butcher blocks, cutting boards and utensils from drying, bleaching and cracking. Boos Block Board Cream is a special combination of natural unbleached beeswax and food grade mineral oil. Recommend use with Boos Mystery Oil.

BWC-3

MODEL	DESCRIPTION	LIST
*BWC	Boos Board Cream, 5OZ	\$9.95
BWC-3	Boos Board Cream, 5OZ (3 Pack)	\$29.95

*Note: BWC (Must be Ordered In Quantities of 12)

"EZ-DO - Sealant/Protector"

A perfect match for Varnique finish. Seals and protects wood surfaces in one easy step. Makes repairs & fabrication a foolproof operation. Easy application - fast drying. Water & alcohol resistant. Non-Toxic - Lead Free. No runs, no lap marks.

EZ-32C

MODEL	DESCRIPTION	LIST

"Oil & Cream Applicator"

Fast, professional and easy way to apply Boos Block Mystery Oil or Board Cream to your cutting boards, butcher blocks, wooden bowls and utensils. Solid, sturdy hardwood construction for perfect grip and control. Special silver ion treated anti-bacterial sponge prevents bacteria growth in sponge and on wood surfaces. Applies smoothly, evenly and consistently onto wood surfaces. No waste or mess of oils or creams. Includes a cap for easy storage and protection.

PRO BOWL

NSF Compartment Sink Buyers Guide

All John Boos & Co. Pro Bowl sinks are built to comply with NSF STD. 2 requirements. Additional options and custom fabrication are available. Contact factory for quotation. All custom sink orders receive detailed engineering drawings for customer approval prior to manufacture. We use only type 300 stainless steel in 16 Gauge or 14 Gauge in our sink construction.

BOWLS:

Standard 16 Gauge, Type 300 stainless steel (14 Gauge is available). Fabricated with all welds ground and polished into a one piece sanitary bowl. True 16 Gauge (or 14 Gauge) thickness throughout. All corners, both vertical and horizontal, coved at 3/4" radius to meet NSF Standards. Bottoms formed for drainage and include a 3-1/2" diameter die stamped opening.

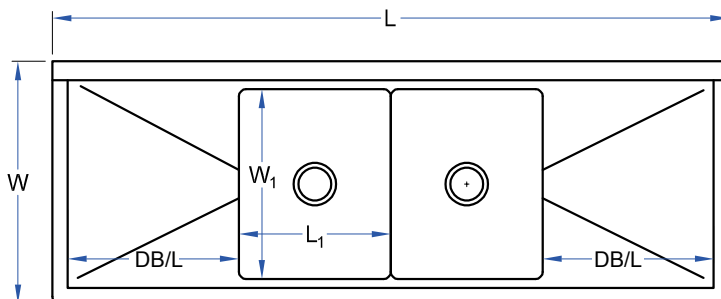

SINK DECKS:

Standard 16 Gauge, Type 300 stainless steel (14 Gauge is optional). Boxed backsplash is 10" high with 2" return to wall at 45 degree and down 1". Front and ends have a 1-5/8", 180 degree rolled edge. All corners are coved 1/4" radius, welded, ground and polished into a sanitary single piece.

LEGS:

Standard 1-5/8" diameter stainless steel tube. Legs attach to sink with sanitary NSF Listed gussets, each with 2 set screws to lock leg in place. 1-1/4" diameter tubular bracing on 3 sides is adjustable to assure no interference with plumbing. Adjustable stainless steel bullet feet for leveling.

DIMENSION EXPLANATION:

L = Overall Length **W** = Overall Width **DB/L** = Drainboard Length
D = Bowl Depth **L₁** = Bowl Length **W₁** = Bowl Width

BEFORE ORDERING:

- 16 Gauge - 12" Bowl Depth Standard
 - 14 Gauge Available (ADD "4" In Front of Model #)
 - 14" Deep Available
- Call Factory or Check AutoQuotes For Pricing

MODEL # STRUCTURE:

2PB1824-2D24

2 = No. of Bowls
 PB= Pro Bowl
 18=Bowl Length (L₁)
 24=Bowl Width (W₁)
 2D=No. of Drainboards
 24=Length of Drainboards (DB/L)

PBHS-W-KV1APS-EW-SSLR (w/Side Splashes)	26	\$1,438.00

EYE WASH DISCLAIMER

IMPORTANT: Faucet-mounted eyewash requires two motions to operate (turn on water, pull knob to activate eyewash flow). Therefore, John Boos does not believe that these units meet the provisions of ANSI Z358.1-2014 as eyewash units. These units are intended solely as supplemental units in addition to dedicated, plumbed eyewash equipment installed in the workplace. Faucet-mounted eyewashes should be used with cold or warm water only. Use of hot water might cause scalding. Eyewash attachment not to be used with electronic faucets.

Restaurant Dining Tops - Buyers Guide & Information

Always Order By Model Number, Size, Wood Species, Finish and Optional Edge, If Requested.

- **Wood Species:** Northern Hard Rock Maple, American Cherry, American Black Walnut, Appalachian Red Oak & Soft Maple
- **Finish:** All tops are finished with a semi-gloss polyurethane finish to insure easy care and a long service life.
- **Stains:** Boos House Stains: Sherwood, Walnut, Century and Mahogany are available at an additional charge with no minimum requirement. Custom Stains are available at an additional charge with a minimum requirement of (12) tops of the same stain color. STAINS ONLY AVAILABLE ON RED OAK & SOFT MAPLE.

All tops are available unfinished for finish application in the field. Use same model & price as shown, adding a "U" to the end of the model number. **Note: Unfinished Top Voids Factory Warranty.**

- **Assembly:** Butcher Block Tops are pre-drilled for respective base when ordered together. Custom drilling per template is available at additional \$10.00 list per top.
