Plumbing

Krowne Royal Plumbing comes with a 3 year warranty

Precise In-House Engineering

Faucets • Pre-Rinses • Electronic Faucets • Pot Fillers • Hose Reels
Lavatory Faucets • Waste Drains • Service Sinks and more

Offset Flanges
Eccentric fittings allow easy alignment adjustments for quick installation

High Polish Chrome Finish
Durable nickel chromium finish allows for easy cleanability and added durability

Knife Style Spray Valve
High performance valve cleans dishes more efficiently than the traditional shower style pattern

High Performance Ceramic Valves
Built for rapid use in high volume environments. Included with Royal Series Pre-Rinses & Faucets

Infrared Detection
Motion sensor activates water on and off for hands free, fast and safe operation

NEW Premium Satin Finish

Stainless Steel Hose
High performance radial wrap tubing pressure tested to 400 PSI

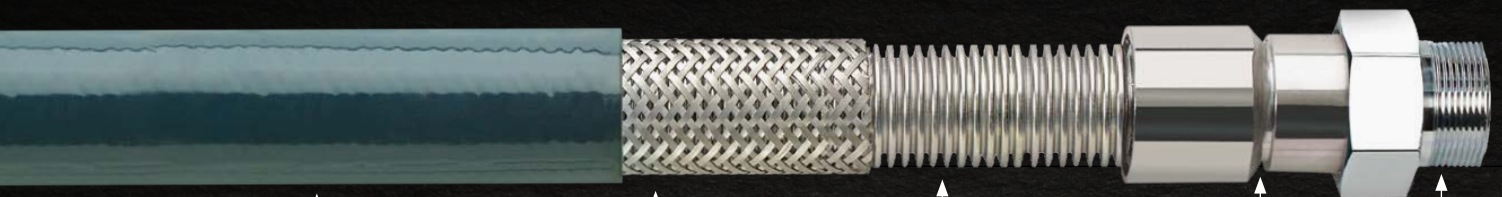

E-Z Install Swivel Fitting
Allows for quick installation of pre-rinse

Corrugated Exterior Hose

Reinforced Inner Tube

The Ultimate Gas Connector

Safe & secure, guaranteed.

PVC Protective Coating

With antimicrobial agent for easy cleaning.

Radial Wrap

Heavy duty stainless steel radial wrap prevents hose from stretching.

Corrugated Tubing

Stainless steel corrugated tubing built to be flexible for ease of installation.

Welded Construction

360° heavy duty welds on both ends increases durability.

Rotational Ends

360° rotational ends provide versatility and ease during installation.

One-Handed Quick Disconnect

w/ 10-Point 360° Locking System

Quickly and easily allows you to disconnect hose to move equipment for cleaning and maintenance.

Full Port Gas Valve

Ball valve is required by code to allow for manual shutoff within 5 ft. of appliance.

90° Elbows

Elbows allow for versatility in tight conditions during installation.

Restraining Kit

Comes pre-cut 12" shorter than overall length of hose to prevent hose from being pulled too far. Easily disconnects for cleaning and maintenance.

SwivelKing™

Durable stainless steel construction with dual 360° rotation significantly reduces stress and extends life of hose.

Caster Positioning Chock

Creates a home position for movable kitchen equipment. Stainless steel construction eliminates cracking commonly seen with plastic caster positioning sets.

Krowne Gas Connectors have built a solid reputation for their durability and design. They have been so successful that we even changed our warranty policy from five years to a lifetime guarantee. Any gas connector you purchase from Krowne comes with the peace of mind knowing that we 100% ensure our product's quality and longevity.

New Distribution Center

Accuracy

New warehouse management system ensures accurate fulfillment on every order.

Inventory

Increased footprint allows us to stock more items than ever before.

Same-Day Shipping

Same-day shipping on all in-stock items.

Customer Experience
